SUMMARY

4th year computer science student at Rutgers. I transferred from community college 1 class from my (A.S.). Initially struggled with the jump in difficulty transferring. Excited to improve my programming skills and be a useful member of a team as an intern.

EDUCATION

Associates of Computer Science (A.S)

Raritan Valley Community College, Branchburg, NJ • August 2019 - May 2021

Bachelors of Computer Science (B.A.)

Rutgers University, New Brunswick, NJ • September 2021 - May 2024

EXPERIENCE

Landscaper

Feeley Landscaping, Basking Ridge, NJ • May 2017 - Present

Help my Dad and small team of employees with maintenance and installation of trees and grass during warmer months. In colder months we snow plow and salt when possible.

Instacart Shopper

Instacart, NJ • April 2020 - Present

Shop for groceries and deliver to customers locally.
